To whomever it may concern:

Kansas City Athlete Training, which is an organization dedicated to developing Future Leaders, is proud to announce the 2023 Kansas City Youth Football Camp. As in the past the success of our event has largely been due to the contributions of our sponsors who have gone out of their way to lend financial support to the event. Every year, the money we raise has been used to purchase awards, camp t-shirts, field rentals, specialized equipment, etc. Sponsorships help KCAT to keep the camp cost low to allow all kids the opportunity to learn and compete.

We hope that this year your organization will support the camp by joining with us as a sponsor for the event. Camp sponsors will receive highly valuable exposure from media campaigns and all promotions for the event. You will also gain exposure from the audience attending the event. As a company dedicated to supporting young athletes and developing Future Leaders, you are an ideal partner for us in this venture.

We have several different packages for sponsorship, and these are detailed in the Sponsorship Commitment Form enclosed with this letter. You can choose how you would want to participate in the event and how you would like to help make a difference.

We are looking forward to hearing from you. In case you have any questions, you can contact us via the information given on the forms enclosed. Thank you for considering being our partner and supporting us in this event.

Yours sincerely,
Jim Tuso
Facility and Camp Director
